**To try our best at everything we do**

Tuesday 31<sup>st</sup> October 2017

Dear Parents / Carers

### **Cooking in the Curriculum**

As part of our ongoing dedication towards developing cooking in the curriculum, we are continuing termly cooking sessions for the children.

Each class will have a cooking session with their teacher. The sessions will follow carefully planned recipes and involve all of the children having the opportunity to create a dish following a recipe card. The recipe card will then come home with your child so you can have a go at the recipe yourselves at home.

All of the ingredients and equipment will be provided for the sessions but to enable us to sustain this; we would like to ask for a voluntary contribution of £3.00 for the year to cover the cost of ingredients and enable us to plan further opportunities.

We are very excited about developing our food curriculum which will link to healthy lifestyles and opportunities to grow food at school to use for our recipes in the future.

Please could you complete the slip below and return to the office with your voluntary donation of £3.00. If you have any questions about cooking in the curriculum, please don't hesitate to contact us at school.

Yours sincerely

Rhiannon Morgan  
Head of School

### **Cooking in the Curriculum**

I have included a voluntary donation of £3.00 towards my child's cooking in the curriculum lessons for the year.
