Dear Parents/Carers

### **Village Hall**

We recently met with members of the Village Hall committee to discuss the changes we wrote to you about in the last newsletter. This was a very productive meeting and the following things have been agreed.

- The school and village hall will work together to create a new risk assessment for the building. We are hoping that will enable us to use the Village Hall for events such as Celebration Assemblies and performance going forward.
- Parents will be able to use the Village Hall car park for things like our church services, as long as the Village Hall don't have a paid booking. We will communicate with you via Wisepay e-mail if for whatever reason you cannot park there.
- The school will attend Village Hall committee meetings if things are being discussed that pertain to the school to ensure clear communication between both parties.

It was clear in our meeting that the Village Hall committee are very supportive of our school.

Yours sincerely

Andrew Smith  
Executive Head Teacher
