Thursday 19<sup>th</sup> December 2019

Dear Parents and Carers

### Class One WOW Day

In January, until Easter, the children in Class One will be focusing on a new topic; "Where In The World?" We will be looking at the local area, human and physical geographical features of Nettleton and the wider area, as well as the four countries of the UK and the continents and oceans of the world. Although this is a Geography based topic, we will also be having dedicated weekly Design and Technology, and Computing lessons too. We hope to end the topic with a trip to compare our rural location with a contrasting one.

As part of the theme, we will be launching with an exciting '**WOW**' day on **Wednesday 8<sup>th</sup> January 2020**. During this day, we would like to take the children on a local walk around Nettleton. If you are able to accompany us on the walk, please let us know.

We will not be setting any specific homework this holiday, however on their return to school in January, children should be prepared to be able to talk about a place (local, national or worldwide) that they have visited and enjoyed. So this could be the park in Nettleton, or a trip to Alton Towers, or a holiday abroad.

Have a lovely Christmas break.

Many thanks

Mrs Stephanie Clayton and Mrs Samantha Watson  
Class One Teachers
