Friday 19<sup>th</sup> December 2019

Dear Parents/Carers

#### **Year 5/6 Spring Term – Why Does It Always Rain On Me?**

As we return from our holidays, we will be continuing our exciting new curriculum theme. This term, we will have a Geography driven theme focussing on the Water Cycle.

For your holiday homework, we would like you to find out about some of the wonderful rivers around the world and the main settlements that have developed on it throughout history.

You could choose from one of the following principle rivers:

Africa	Nile
Asia	Yangtze River
Australia	Murray-Darling River
Europe	Volga River
North America	Mississippi-Missouri River
South America	Amazon River

Your information could be presented in one of the following ways:

- A poster
- A report
- A piece of art work
- A PowerPoint presentation
- A video

We look forward to all of your fantastic creations - displaying our wonderful world.

Many thanks for your continued support.

Yours sincerely

Angela Parry  
Class Teacher
