Tuesday 27<sup>th</sup> September

Dear Parents/Carers

### **Road safety**

Due to a near miss outside of school last week, I would be grateful if you can speak to your children at home about crossing the road safely.

I delivered an assembly yesterday morning on the subject for all of the children and reminded them about crossing roads safely – particularly near to school.

As the pavement is lowered on both sides of the road outside of school, it gives the impression that this is a pedestrian crossing - which it is not. I have explained this to the children and reinforced that traffic is not obliged to stop for pedestrians there.

We will regularly revisit this at school to ensure all pupils understand the importance of road safety as their safety is paramount, but, as with everything, your continued support at home is so valuable and is so important, particularly with this message.

Yours sincerely

Rhiannon Schaffer  
Head of School
