Thursday 24th November 2016

Dear Parents / Carers

Cooking in the Curriculum

As part of our ongoing dedication towards developing cooking in the curriculum, we are going to be including termly cooking sessions for the children starting this term.

Each class will have a cooking session with their teacher. The sessions will follow carefully planned recipes and involve all of the children having the opportunity to create a dish following a recipe card. The recipe card will then come home with your child so you can have a go at the recipe yourselves at home.

All of the ingredients and equipment will be provided for the sessions but to enable us to sustain this; we would like to ask for a voluntary contribution of £1.00 for the year to cover the cost of ingredients and enable us to plan further opportunities.

We are very excited about developing our food curriculum which will link to healthy lifestyles and opportunities to grow food at school to use for our recipes in the future.

Please could you complete the slip below and return to the office with your voluntary donation of £1.00. If you have any questions about cooking in the curriculum, please don't hesitate to contact us at school.

Class 1 - Tuesday 29th November

Class 2 - Tuesday 13th December

Class 3 - Tuesday 6th December

Yours sincerely
