

## FRIENDS OF SCHOOL 2022/23 CHANGE CHALLENGE

Friends of School challenge you to fill a container with loose change.

Take your time - this challenge will run all year.

Involve friends and family - we know that we are all using less cash these days and we really appreciate whatever you can spare.

Keep it coming - Either take your container home and start again or recycle it in school and we will use it in DT.

For taking part in this challenge children will earn their blue Friends of School Hero Badge.
