# Water's Edge country park - Barton

Bridge activities on the park.

Lunch on site – These will be bought with us. Please put packed lunches in plastic bags as they will be disposed of once we finish.

Activities on the reserve related to science learning.

# The Deep

We will arrive at The Deep at 4:30.

We will have dinner in the upstairs canteen.

After, we will have a guided tour in groups and some activities.

Later, we will have snacks and settle down for the evening.

Sleeping will be over two large areas, with adults placed around and grouped by gender.

There are toilets nearby and water available over night.

A number of Deep staff members will accompany our sleepover.

# The Deep

Canteen space.

Food order to follow shortly.  
Breakfast will be a range of cereals  
and toasts.

Lots of options, and plenty of chance  
to specify dietary requirements.

# The Deep

One of the sleeping spaces.

Lights will be low over night for the fish, but we will be close enough to see them the whole time!

# The Deep

Second of the sleeping spaces.

We are the only sleep over in the space on that evening.

No other groups are on site when we are there.

# Normanby Hall

We have various activities on a rota for groups including:  
workshop led by the Hall staff  
tour of the grounds  
tour of the Hall  
Rural Life museum.

# Normanby Hall

Lunch will be in groups in and around the learning centre on site.

Lunch will be bought from The Deep.

# Extra information

All spaces visiting have handwashing and toileting facilities.

While children may have some free time to pursue some independent play, all groups will be allocated a NWF staff leader, even if the activity is led by one of the locations.

Food orders for the evening meal at The Deep and lunch at Barton will be coming out shortly.

Kit list and LEV3 forms to be given out tonight.
