Monday 30th March 2026

Dear Parents/Carers

As the Easter holidays are approaching, I am beginning to look ahead to the important period of preparation for our Year Six children in the run up to their Standard Assessment Tests in May, and secondary school beyond.

Easter School

I am delighted that so many of them are already signed up to join me at Easter School, which is running between the hours of 9am and 3pm from Monday, 13th April to Thursday 16th April. Any last minute sign-ups are more than welcome ([click here](#)), and attendance will be rewarded with a fantastic trip to Cleethorpes for a movie and McDonald's with their friends on the Thursday, all provided by school free of charge. The children genuinely love the experience and it helps them bond as a group and support each other through the challenges ahead.

Additional SATs Club Dates

SATs Club will continue to run on Tuesday evenings, from 3.10 – 4.10pm each week until SATs week. I also plan to run three additional dates at the times detailed above on Thursdays between the Easter holiday and SATs week - the 23rd and 30th April, and 7th May. All Year Six children are encouraged to attend as many sessions as they can, to help them feel well prepared and confident going into their tests and ready for starting secondary school in September.

Year Six SATs Week

The children have their Standard Assessment Tests coming up in the week commencing Monday 11th May, ending Thursday 14th May. The timetable for the week is as follows:

| | |
|--------------------------------------|--|
| Monday 11th May | English Grammar, Spelling and Punctuation |
| Tuesday 12th May | English Reading |
| Wednesday 13th May | Maths Arithmetic and Reasoning Paper 1 |
| Thursday 14th May | Maths Reasoning Paper 2 |

The children are very familiar with the format of the week, as it is the same as our Assessment Week format for Year Six each half term. All tests are carried out during the morning session. Myself and Mrs Jones will be in attendance during all tests, supported by Mrs Crump, Mr McDermid, and Mrs Thompson.

I would like to invite the children to join me early for a special breakfast and opportunity to settle into the day, from 8am each of the test day mornings. Being together as a group helps to calm any last-minute nerves and having their friends around can be a welcome distraction. There is no need to book, just turn up on the day!

Parent Information

The government have produced an information leaflet about the tests, which you can view by [clicking here](#).

Finally, I would like to close by commending the children for their absolutely AMAZING commitment to achieve in the run up to the tests. They have worked their socks off, rising to all the challenges of the past two years, and done themselves proud. I wish them all every success and have total confidence in them to do their best on the day.

Many thanks for all that you have done as parents to support your children throughout their Year Six journey.

Kind regards

Angela Parry
Year 5/6 Teacher
