Dear Parents and Carers

Y3/4 Trip to The Lincolnshire Show

We are very excited to inform you that we have signed up for the children to take part in The Lincolnshire Show Schools' Challenge this year. We are doing the 'nature-nurture' project and have some exciting learning and making planned for the children. They have been busy creating suitable habitats for local bees, including bee hotels, bee water stations and wildflowers. All to take home and make their environments more friendly to our pollinator friends.

Following this, we will be taking the children to The Lincolnshire Show this year and displaying our hard work to the visitors and judges of the competition. The Show is on Wednesday 17th and Thursday 18th June. Your child will be going on both days of The Show.

This is an excellent opportunity for the children to experience this event, and we hope that it is something that we can do every other year. It feeds into many areas of our curriculum including science, geography and PSHE, but also our School Values of working with others and being good citizens.

Due to the financial support from organisations like the Lincolnshire Agricultural Society and for the tireless fundraising efforts of our very own Friends of School, we are able to take the children at no cost to parents. This is a significant event, and we are very grateful to our Friends of School for going above and beyond our usual trip allocation funding to ensure that parents do not have to pay any money at this busy time.

Please complete the FORMS link below to give consent for your child to take part in the trip by Friday 12th June. Children will require a packed lunch for this trip. Please ensure your child brings a water bottle/s, so that they have enough to drink. If your child is FSM a packed lunch can be ordered from the school kitchen, this is included on the consent FORMS. [Lincolnshire Show and Schools' Challenge - Nettleton CP School – Fill in form](#)

Also, we would be grateful if you could help your child to keep a bee diary over the half term holiday. Over the week, please can you record the date, time, weather and flower that the bee was on/near. We would like to use this as part of our research.

We look forward to sharing our progress in this project with you, so please look out for our posts on the school's Facebook page.

Yours sincerely

Dena Jones
