Term 2 After School Provision at Nettleton Community Primary

Dear Parents/Carers,

We are writing to share some changes to the after school provision in term 2. We will still be offering after school provision until 5pm on Tuesday, Wednesday and Thursday afternoons, however, with the evenings drawing in and the weather increasingly likely to be a factor in the activities we can offer, our clubs will be following a slightly different pattern.

The first portion of the club, immediately after school, will continue to be a physically active session, looking to engage and enthuse all children through a variety of different games and sports. The second half of the session will be delivered in a classroom space, where the children will have access to different board/card games as well as arts and crafts materials. Staff will use their discretion on the exact split of the timings but always keep the children's safety and enjoyment as the priority.

There will also be a change to the pricing this term. Our Tuesday and Wednesday afternoons will continue to be charged at £5 per session. After discussions with the school, they would like to subsidise the Thursday after school club to make it more accessible to all families. During term 2 this session will now be charged at £1.50 per child.

We hope that these changes will be really positive and help ensure that all children attending after school clubs continue to enjoy the opportunities at the provision. As ever, we are always happy to receive feedback and hear of any other ideas that parents and children feel would improve the provision. If you would like to get in touch or need any support with accessing the clubs please contact us at admin@jbse.uk or on 01507 237227.

We look forward to seeing even more of your children at our clubs next term!

Kind regards,

JB Sport + Education
