Termly updates

Dear Parents/Carers

I hope you all had a lovely half term and have enjoyed time at home or away over the week. It is great to have everyone back again for the busy second part of the Autumn Term.

We have already had workshops and a Cross Country event and we have lots of exciting things planned over the coming weeks, particularly in the run up to Christmas!

As ever, if there is anything I can help with or if you have any queries, please don't hesitate to contact me.

Kind regards

Nichola Allerston

Executive Head Teacher

Shining Star certificates

Look out for your child bringing home a Shining Star Certificate from a member of staff. We have lots of rewards to celebrate positive behaviours demonstrated by our children but we wanted to add a new certificate to award children for being shining stars.

They will receive a certificate for lots of different ways of following our values and behaviour policy – we look forward to copying lots of certificates to send home!

Attendance and Lateness

Attendance remains a high priority for us – children need to be in school to receive the best education they can and increase their chances of success in later life.

Can we remind you that school starts at 8.40am. Children can come into school from 8.30am, ready to begin their day at 8.40am.

We will closely monitor attendance and lateness and arrange panel meetings if they are required.

Can we also remind you that term time holidays will not be authorised. We follow the Local Authority guidance for our attendance policy regarding absences during term time.

Children In Need

World Diabetes Day

world diabetes day
14 November

We will be celebrating Children in Need and World Diabetes Day on Friday 13th November.

Swimming

Swimming has now finished, hoping to re commence after Easter.

We still have outstanding payments for the September/October sessions and we will have to evaluate future swimming nearer the time as we cannot afford to run at a financial loss.

The running and maintenance costs to open the pool are vast. It is not too late to pay if you haven't already, please make payment on Wisepay.

Celebrating Achievements

As part of our newsletter, I would like to celebrate achievements of our children from out of school. We know lots of you attend different clubs and events and it would be lovely to share these with our school community.

If you have any photos you would like to share with us, please email them to me.

Nichola.allerston@nettleton.lincs.sch.uk

I look forward to being able to share lots of achievements in the next newsletter.

Key Stage Two children are invited to attend the Young Voices Concert on the 11th Feb 2027.
