

Nettleton Community Primary School
Pupil Feeling Safe Survey December 2024
Key Stage Two Pupils (42 Responses)

This survey is completed each year to ensure our children feel safe in school. Any response where a child says they feel unsafe or very unsafe is discussed with them to ensure they feel happy and safe in school. Governors also speak to a sample of children to quality assure the outcomes we get from the survey. Finally, this survey can be triangulated with the Ofsted Parentview which is very positive about happiness and safety in school.
