Dear Parents/Carers

Cooking in the Curriculum

As part of our ongoing dedication towards developing cooking in the curriculum, we are continuing termly cooking sessions for the children.

Each class will have a three cooking sessions a year with their teacher. The sessions will follow carefully planned recipes and involve all of the children having the opportunity to create a dish following a recipe card. The recipe card will then come home with your child so you can have a go at the recipe yourselves at home.

All of the ingredients and equipment will be provided for the sessions but to enable us to sustain this we need to ask for a contribution of £3.00 for the whole year to cover the costs. Payment can be made by cash to the school office, or by using Wise Pay. If you require a reminder of you login please contact the school office.

School budgets are under enormous pressure at present so please remember to make your contribution of £3.00 following the [Wise Pay link here](#)

If you have any questions about cooking in the curriculum, please don't hesitate to contact us at school.

Yours sincerely

Andrew Smith
Executive Headteacher
