The newsletter from the LRSP Education Team

Term 1 Primary schools

Many children will not have ventured far in recent months as people stayed at home and roads were much quieter than normal levels.

With schools and workers returning, now is the time to remind children of the road safety basics.

THE RULE OF SIX – FOR ROAD SAFETY

School Crossing Patrols

Where there is a school crossing patrol site close to your school, we request that you encourage parents to use it. The patrols are in place to make school journeys safer for all.

Congestion around schools

In an effort to achieve social distancing within schools, some areas have instead seen congestion in public spaces outside schools.

We advise against allowing large groups of people to gather in car parks, on roads or driveways where there may be moving vehicles.

Road safety in your school

- Road safety video links to share and discuss with pupils in [key stage 2](#) and [key stage 1](#).
- Junior Road Safety Officers – a scheme for two pupils in years 5 or 6 to develop road safety initiatives for the other pupils in the school. Contact us for more information.
- *Bike to School Week* from the walking and cycling charity Sustrans is held 28th September to 3rd October 2020. For more information on this nationwide event and how it could benefit your school click [here](#).

The road safety education team

Lincolnshire Road Safety Partnership has a team of Road Safety Officers who provide road safety education to schools. Contact us to find out more about the covid-safe road safety education that we can offer your school.
