October 2020

Dear Parents/Carers of Year 6 pupils

We are conscious that Year 6 families are in the process of making their secondary school choices and wanted to update you with how things are having to work differently this year.

As tours of the school and open events/taster days are unfortunately not possible in the current climate due to our procedures around social distancing, I am delighted to announce that our virtual tour is now live on our new school website www.deastonschool.co.uk and social media pages (Facebook, Instagram and Twitter). Links for these pages can all be found on the 'contact us' section of the school website.

Please do bear in mind in mind that some things around school look a bit different at the moment due to Covid-19 guidelines, but hopefully the virtual tour will give you an idea of our facilities and ethos.

You may also find it useful to keep an eye on our social media pages, as we will be posting some images over the coming weeks, and re-sharing some past posts, to help give families an idea of the opportunities and resources available at De Aston.

The transition section of the school website includes a welcome video and booklet, which, although aimed at our new Year 7s, may also be a useful insight into our school.

If you have any queries about our school, then please do not hesitate to contact us. We would be very happy to help.

Kind Regards

Caroline Hobson

PR, Marketing & Communications Officer
