Dear Parents/Carers

Oxford Owl Reading Books

In addition to our reading scheme we have in school, we will be setting up class logins so our children can access additional books to read at home matched to the level of books they are reading in school. I have attached a leaflet to explain how the Oxford Owl books can be accessed at home. From Thursday, the children will have a password and be able to log into Oxford Owl at home.

At the front of the children's homework books, there will be a class login and password and also the book level that your child is currently reading. Please follow the instructions on the attached guide and access the level of books the teacher has written for your child.

If you access books on Oxford Owl, please write 'OO' next to the book title in your child's diary.

Please also write in the titles of any additional books your child is reading at home, not just the books that your child brings home from our reading scheme.

We are currently in the process of finalising details for our reading reward for the end of this term.

Thank you for all of your support hearing your children read at home.

If you have any questions regarding Oxford Owl, please don't hesitate to contact me.

Yours sincerely

Rhiannon Morgan
