Dear Parents/Carers

Homework Consultation

As you will know we are trialling a new homework strategy that we hope will maximise the impact of homework in light of the challenges the global pandemic and school closures have created.

We are looking to rewrite our homework policy in the near future and would like your input on this.

It would really help us if you could complete this short survey. It should only take a couple of minutes.

The information will be shared with Governors of the North Wolds Federation and used to shape our new policy. We are really interested to hear your views.

Thanks in advance for your help with this.

Kind regards,

Andrew Smith

Executive Headteacher
