WELCOME TO THE LINCOLN IMP EDUCATION TRAIL

The Lincoln IMP Education Trail is organised by The EBP in partnership with Lincoln BIG, St Barnabas and Wild in Art and is sponsored by Bishop Grosseteste University, the University of Lincoln and Waterside Shopping Centre with support from Galliford Try, Lincoln Digs and LiNCHigher.

50 education establishments from across Lincolnshire are participating in the programme and their sculptures will join the main Lincoln IMP Trail this summer. In addition to designing and decorating their sculptures, schools have also immersed themselves in learning about the symbol of our city across a variety of subjects using the Trail's education resource pack.

Alongside outstanding support from our education programme sponsors, we are also grateful to the following organisations for their support of individual schools: Affinity Flying Services Ltd, Blankney Estates, LiNCHigher, Lincoln College, Lincolnshire Co-op, McDonald's (Cathedral Restaurants Limited), North Notts & Lincs Community Rail Partnership, Optima Graphic Design Consultants Ltd, Ruddocks, St Marks Shopping and Waterside Shopping Centre.

Thanks also go to City of Lincoln Council and the Institute of Directors for generously supporting the Education Trail step challenge by providing pedometers for our participants, and to Ruddocks for their valuable print support.

A MESSAGE FROM THE EBP

The EBP is a Lincoln-based social enterprise developing the skills of young people.

We work in partnership with businesses to help young people and adult learners fulfil their potential. Through our programmes and activities thousands of young people have started their careers or gone on to further education, with additional skills and confidence. We are proud of the impact that we have on young people's lives.

We are delighted to bring you the Lincoln IMP Education Trail and have been thrilled to work with so many Lincolnshire schools on this unique project celebrating our city's mischievous mascot.
