Dear Parents/Carers

Covid-19 Arrangements for the End of Term

Thank you for all of the support you have continued to give us over the last year; it has and continues to be, very much appreciated.

As you are aware, the existing Covid-19 restrictions that are in place across the country will be relaxed from Monday 19th July. Whilst we are very much looking towards a gradual return to normal, infection rates in our area are still much higher than the national average and continuing to rise and we all have our part to play to keep the rates down.

For the last three days of term, following guidance from the Local Authority Health Protection Team, we will be continuing to follow the current restrictions we have in place and we would ask you to support us with this to keep our school communities safe.

This includes:

- remaining socially distanced on site
- wearing face masks
- dropping your child off and leaving them in the line
- only one adult to bring your child on site.

We will be sharing further information with you regarding changes to the current guidance during the holiday, ready for the September start next term.

Please don't hesitate to contact me if you have any questions or queries.

Yours sincerely

Nichola Allerston

Acting Executive Headteacher
