Dear Parents/Carers

HEAD LICE

A number of parents have recently informed the school that they have found evidence of head lice in their child's hair.

Whilst we can't eliminate the complaint entirely, we can only reduce the number of incidents if all parents regularly check their children's hair.

The complaint can be very irritating for children, causing itchy scalps which they scratch at. This, of course, doesn't help their concentration during lessons.

If any parent requires further advice, please visit the NHS Choices website

Yours sincerely

Angela Parry
