Thursday 9th May 2024

Dear Parents and Carers

Lincolnshire Show Schools' Challenge

We are very excited to inform you that we have signed up the children of both Market Rasen and Nettleton to the Lincolnshire Show Schools' Challenge this year and are planning to run one of their projects with the Year 3 and 4 children. We have gone with the 'building resilience' project and have some exciting learning and making planned in for the children across both sites. From planting vegetables and cooking healthy recipes to developing a wildlife space and a wellbeing nook in our outside space. The children are going to be involved in the planning and implementing part of this project and building resilience in themselves, each other and our wider school community. Following this, we will be taking the children to The Lincolnshire Show on both days this year and displaying our hard work to the visitors and judges of the competition. The Show is on Wednesday 19th and Thursday 20th June.

This is an excellent opportunity for the children to experience this event, and we hope that it is something that we can do each year. It feeds into many areas of our curriculum including science, geography and PSHE, but also our values of Commitment to Achieve and Independence. Due to the financial support from organisations like the Lincolnshire Agricultural Society, Tesco at Market Rasen and our very own Friends of School, we are able to take the children on both days free of charge. Please complete the FORMS links below to give permission for your child to attend <https://forms.office.com/e/AtHCs5SU9G> by Friday 17th May.

We would, however, like to ask for some donations to our project. We would like:

- A rabbit hutch that we can repurpose into a reading hutch
- Small plastic bottles with lids
- Wooden spoons
- Soil and seeds (wildlife and fruits/vegetables and bird feed)
- Acrylic or outside paint in bright colours

If you could help us with any of the above items, please let Mrs Jones know.

We look forward to sharing our progress in this project with you, so please look out for our posts on the school's Twitter feed.

Yours sincerely

Dena Jones
Head of School and the Market Rasen Year 3/4 team

Our Key Values: Commitment to Achieve, Caring, Respect, Co-operation, Happiness, Independence
