Dear Parents / Carers

Reading Survey

As part of our commitment to promote Reading for Pleasure across our school community, we sent a short Parent Reading Survey focused on reading for pleasure for yourselves and your children for you to complete earlier in the year.

We would like to ask if you could complete the survey again at this point of the year to help us celebrate everything we have achieved with our reading priorities. The survey can be accessed by clicking [here](#).

The information generated from the survey will help us to further develop reading for pleasure for your children and yourselves. We would really appreciate any suggestions you have regarding further opportunities for reading with your child, both at home and school.

Kind regards

Dena Jones
Head of School

Our Key Values: Commitment to Achieve, Caring, Respect, Co-operation, Happiness, Independence
